

## Technical rider « Marée Basse » Cie Sacékripa

Show duration: 60 minutes / 2 shows maximum per day  
(Minimum 1 hour between two shows)

Big top: Diameter: 7,80m / Height: 6m / Diameter stakes included: 11m  
Weight: 1070Kg  
Capacity: 80 places – **Show from age of 8 years old.**  
Assembly: 4 hours  
Disassembly after the last show: 3 hours

### Ground

Necessary surface: 15m/15m (including big top + one truck + security space)  
Flat, horizontal ground (gradient of 2% maximum allowed), no obstacles, clean, not liable to flooding, not muddy, **in a shadow place in spring and summer.**  
In case of lawn, it should be cut very short.  
Check the possibility to anchor the stakes (water, gas, electricity lines): 4 stakes/1m  
If not possible to implant the stakes, plan 4 weight of 300kg each (please consult with our technician). Security: must be ensured from the assembly until the disassembly (contact us for more details).  
Water point near the big top.

To be provided by the organiser

1 water fire extinguisher  
1 CO2 fire extinguisher

Technical details: 3 technicians for the assembly (4 hours) and for the disassembly (3 hours)

Public reception: One person for the ticketing must be present during the whole show

Electrical supply

Winter:  
One plugging three-phase. 32A near the big top  
Summer:  
Two plugging 220V, 16A near the big top

Heating  
We will provide the heating material (VTB 15000 heating fan)

Dressing room:  
One dressing room for 2 persons (heated in winter) close to the big top

## Trip

A 3,5 tonnes truck and a PTAC 2T trailer: length of convoy 12m, width 2m, height 3m. **Please plan a secured park place for the arrival.**

**CAUTION: The area must be accessible by truck and trailer**

## NB:

- No one can leave as long as the work is not completely done.
- In case of an exceptional weather (wind by 90km/h for the shows and 50km/h for the assembly), the assembly or the shows can be postponed.

## Planning:

The team will come one day before the show (in the morning) if the trip takes more than 3 hours away.

If the journey takes more than 3 hours:

D-2 Arrival around 19h

D-1 Assembly of big top, set...

D set finishing and shows.

To be provided for the show:

Sufficient bottle of red wine of your choice but with cork stopper. We must have 1 per show.

6 bottles of water per day.

One bag of Golden apples per 2 shows

1 Kiri cheese per show

2 Krisp Rolls or little grilled bread per show

2 Boudoires per show.
